General Information

The normal rules for safety will be followed at all times. No one will be allowed on the field under the influence of alcohol. Illegal substances will not be tolerated and will be reported to the proper authorities.

All weapons will be inspected before each battle on both days. At no time will paper cartridges or ramrods be placed in the musket when loading. Due to insurance concerns all combatants must be at least 16 years of age. Children without a specific duty and children as flag bearers will not be allowed on the field.

All combatants must be registered with a unit on the field. To participate you must be a member of a unit or a unit commander vouches for you. That commander will be responsible for your proficiency in drill. All troops will be inspected before each battle which will include weapons, uniforms and equipment. Please, remove all wristwatches and modern eyewear.

All battalions will stay together under their own commanders. Unattached companies will be assigned to a battalion. The chain of command will be followed throughout the event.

All vehicles will be assigned to a parking lot. **Only sutlers and trailers will be parked in the small lot next to the battlefield. All vehicles must be removed from camp by 8:00 AM Saturday.**

As requested by the landowner:

Camping will be allowed only in the pecan orchard.

Only fire pits may be dug. No trenching around tents is allowed.

Please fill in all fire pits before leaving camp on Sunday.

Please take care of your trash on the way out.

All cartridge paper and foil from canons must be removed.

As is always the case, Union troops will be outnumbered. Please consider bringing both uniforms and galvanizing for one battle. Too many Confederates on this field can get a little congested.
